ESSENTIAL INFORMATION FOR COLOMBRES 2011

YOU HAVE TO (to avoid an on-the-spot fine)

- ✓ Carry an original copy of your driving licence
- ✓ Carry an original copy of your insurance policy
- ✓ Have your headlights on at all times (unless your motorbike specifications preclude this – in which case download the legislation exempting your bike from this regulation from the MC Piston website)
- ✓ Carry a spare light-bulb for your headlight (if applicable)

YOU MUST NOT

- Travel in groups of more than eight

YOU SHOULD

- ✓ Have a European Health Card (available on request from your G.P.) to ensure free state healthcare coverage.
- ✓ Ensure that your insurance policy includes repatriation for both you and your bike – and extra health coverage if possible.

YOU DON'T NEED TO

- ◆ Wait for the club tow-truck (it travels to the rear of the rally).
- ◆ Consult the day's route and deduct the mileage from your odometer to get your position/location, before calling your insurance company.

REMEMBER

- If you require emergency assistance and are out of mobile range – call 112. It is the Spanish Emergency Service number and works on a different frequency.
- If you have an accident involving another vehicle and the Police/Guardia Civil are called, ask for the '**numero del atestado**' the incident number, which will be needed for insurance claims. And make a note of the driver's details e.g. ID card, number plate.
- The Spanish have two surnames; if your name is John Edward Smith you will be registered as Mr Edward, not Mr Smith. (creating havoc). Ensure that your surname (**apellido**) is correct on all official documents.

THE MOTO CLUB PISTON WILL OFFER EVERY ASSISTANCE POSSIBLE UNDER THE CIRCUMSTANCES: PLEASE REMEMBER THAT ALL CLUB MEMBERS PARTICIPATE IN RUNNING THE RALLY AND CANNOT LEAVE THEIR POSTS WHILST THE RALLY IS IN PROGRESS.

COLOMBRES JUNE 2011

Daily departure is between 09:30 hrs and 10:30 hrs, allowing the club marshalls to stagger departure to avoid the formation of groups. The route is signalled by red arrows, and at registration you will be given an easy to follow routemap.

If you diverge from the route, or fall behind the sweeper vehicles (which will leave at 10:45) you cannot be collected, and you must use your own insurance company cover if you break down.

Stop to take photos, or have a coffee if you wish, **but do not fall behind the sweeper vehicles.**

THURSDAY 9th JUNE - CIDER AND CABRALES CHEESE ROUTE

Registration opens at the Tourist Office, documentation checked and accommodation allocated.

We will stop in Arenas de Cabrales for a few rounds of cider, and buns filled with a variety of local delicacies including Cabrales Cheese, the internationally famous local blue cheese.

Asturian cider is poured into a communal glass, you drink it all in one go and then return the glass to the person pouring the cider. There are not enough glasses for everyone, don't sip, swig, and hand the glass back.

21:00 hrs – Barbecue featuring sardines by the seashore on the La Franca beach.

FRIDAY 10th JUNE - COASTAL ROUTE

Departure between 09:30 hrs and 10:30hrs. A route through the most beautiful seaside towns in Eastern Asturias, such as Llanes and Ribadesella, before stopping in Lastres (where the Spanish version of 'The Doctor' is filmed). 21.00 hrs - Dinner in the Hotel El Mirador de La Franca.

SATURDAY 11th JUNE - THE 'CULTIVATED OR THE CRAZY' ROUTE

08:00 hrs onwards – departure for the 5,000 curves route, 460 Km through the heart of the Picos Mountains,. This route lasts all day and is for experienced 'wild boar' i.e. riders with plenty of stamina!

At the usual time the 'cultivated route' will begin, which will take the saner participants to Santillana del Mar, one of the most beautiful medieval villages in Cantabria. 21:00 hrs – Dinner in the Mirador de la Franca hotel followed by a 60's style disco.

SUNDAY 12th JUNE - DON'T LEAVE ANYTHING TO REGRET ...

Departure between 09:30hrs and 10:30 hrs. We will go on a beautiful mountain route through 'Black Beret' country (the French copied the traditional Spanish headwear, the strings of onions were their own refinement!). We will stop in Quintanilla Lamasón by Pablo and Isabel's bar, both members of the Club Piston, who will prepare their restorative garlic soup (very good for arthritis), which will revive us all. Then we return to the Hotel Mirador de La Franca for our farewell lunch.

You will receive the inscription form for the 24th International Rally (October) in a couple of months, this year we organize it in Santander
