This Event is open to Pilots with bikes until 1980 who wants to enjoy ridding everyday routes between 180 to 240 Kms (except Friday, when you can choose to do a normal route or choose the 5000 curves Challenge, that means more than 500 kms in one day). The routes includes high mountain roads, so bring properly clothes, and a nice fixed bike.

Everyday routes start between 9:30 and 10:30 h, and will (except the 5000 curves Challenge) be properly signed with arrows. So you will ride at your own rithm, inside a time window of more than 1 hour from firsts participants to the assistance, at the back of the tail of the snail (who pick up the arrows). We also provide every participant with a roadBook, so if you get loss you can follow it. Try to check the Petrol Stations at the RoadBook everyday.

Remember this is not a competition, and the one who wins is the one who most enjoy it. It´s a turistic tour and you must follow all the traffic roules and signs.

As every year at the Picos Tour, you can choose between a 4 days (3 nights) ride or a 3 days (2 nights) ride. If you choose the first option, you should be ready to start on Sunday morning at 10:00 h. The start of the second option begins on Monday at 16:00 h after a Lunch at the Santemar Hotel. The Picos Tour Ends with a Stand Up dinner on Wednesday at the Hotel Santemar. It start in Santander and we will spent some nights in POTES, a village inside the Picos de Europa Mountains.

The luggage will be carried with the vans of the Club, so you can ride as free as you are. Prices of the Picos Tour, includes ALL except Petrol and Beer. It means: Accomodation, Breakfasts, Meals, Dinners and sandwich (Spanish Pincho) on Routes.

Last year we had lots of problems with the cancellations due to Covid-19, as these cancellations required much administrative paperwork and bank transfers. Thus, this year we have changed the way of paying:

Option 1: Payment of 100 €/person NOT REFUNDABLE. This guarantees your inscription at the rally; in September, you must complete the payment at least one week before the rally. If you cannot finally come, we will send you the T-shirt (shirt or blouse), number, trophy and roadbooks, so that you may use them if you want to come any other time. No money is returned.

Option 2: Payment all at once with the inscription. Place guaranteed. If finally you do not come in September, we will send your money back (except bank transfer costs). No inscription without payment is allowed.
